## One Year Anniversary

**Happy 1st Anniversary to Queens View  
Harbour! What a year, what a  
community we have built.**

Our celebrations were absolutely fantastic, the sun shone brightly and the music was fantastic. A special mention to the live band, True Colours, who took us a lovely trip down memory lane.

A massive thank you to all involved who made this celebration one to remember.

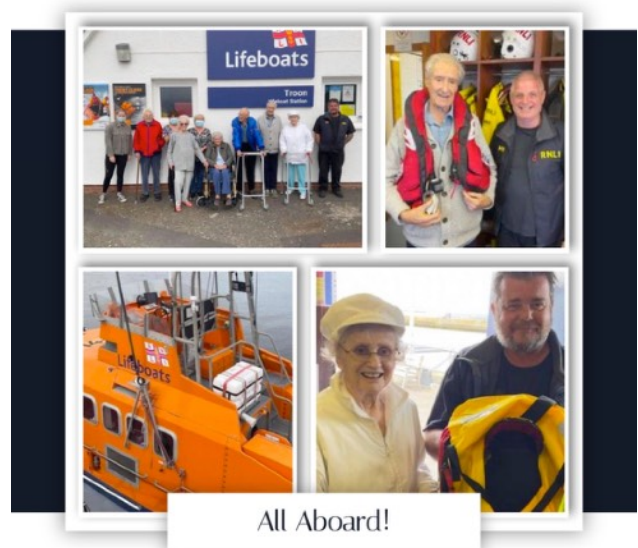

We all raised our champagne flutes and toasted a fine first year of Queens View Harbour, with many more to come...

## RNLI Troon Lifeboat Station

We had a great afternoon at the RNLI Troon Lifeboat Station, thank you Joe for dedicating your time to explain everything to us. Every day is a school day!

This trip was a special request from one of our residents and a great experience for all. We are looking forward to a return visit soon!

## RAF Red Arrow Flyover

Amazing View

*Flying High!*

What a great display from the RAF Red Arrow pilots for The Making Waves Festival 2022 in Irvine. We all had a great view and really enjoyed watching the display from our balconies and garden!

## Art In A Suitcase

*Creative Residents*

A big thank you to Art In A Suitcase for a fab afternoon from all of Queens View Harbour's keen artists! **Art In A Suitcase** deliver life enhancing drawing and painting lessons for people living with dementia. Their classes help people with dementia to see what they CAN do.

Well Done!

## Flower Arranging

Our residents were hard at work creating some lovely floral arrangements!

The finished outcomes looked amazing and brightened up the home.
