## Valentine's Day

## 'Bee' my valentine?

We started the Valentine's Day celebrations with honey themed tasting sessions throughout the home. This went down a wee treat and was "sweet as can bee". There were lots of goodies and different ideas for the residents to enjoy and take part in...

Our Sunset Cafe was transformed into the perfect Valentine's Day Diner with a gorgeous Valentine's menu for our lovely couples. We hope everyone enjoyed the dining experience, the individual couple pictures and the ambience. Special thanks to our team Lorena, Clea and Derek who ensured the service was delivered with a smile. Everyone afterwards enjoyed live music from the Music Box.

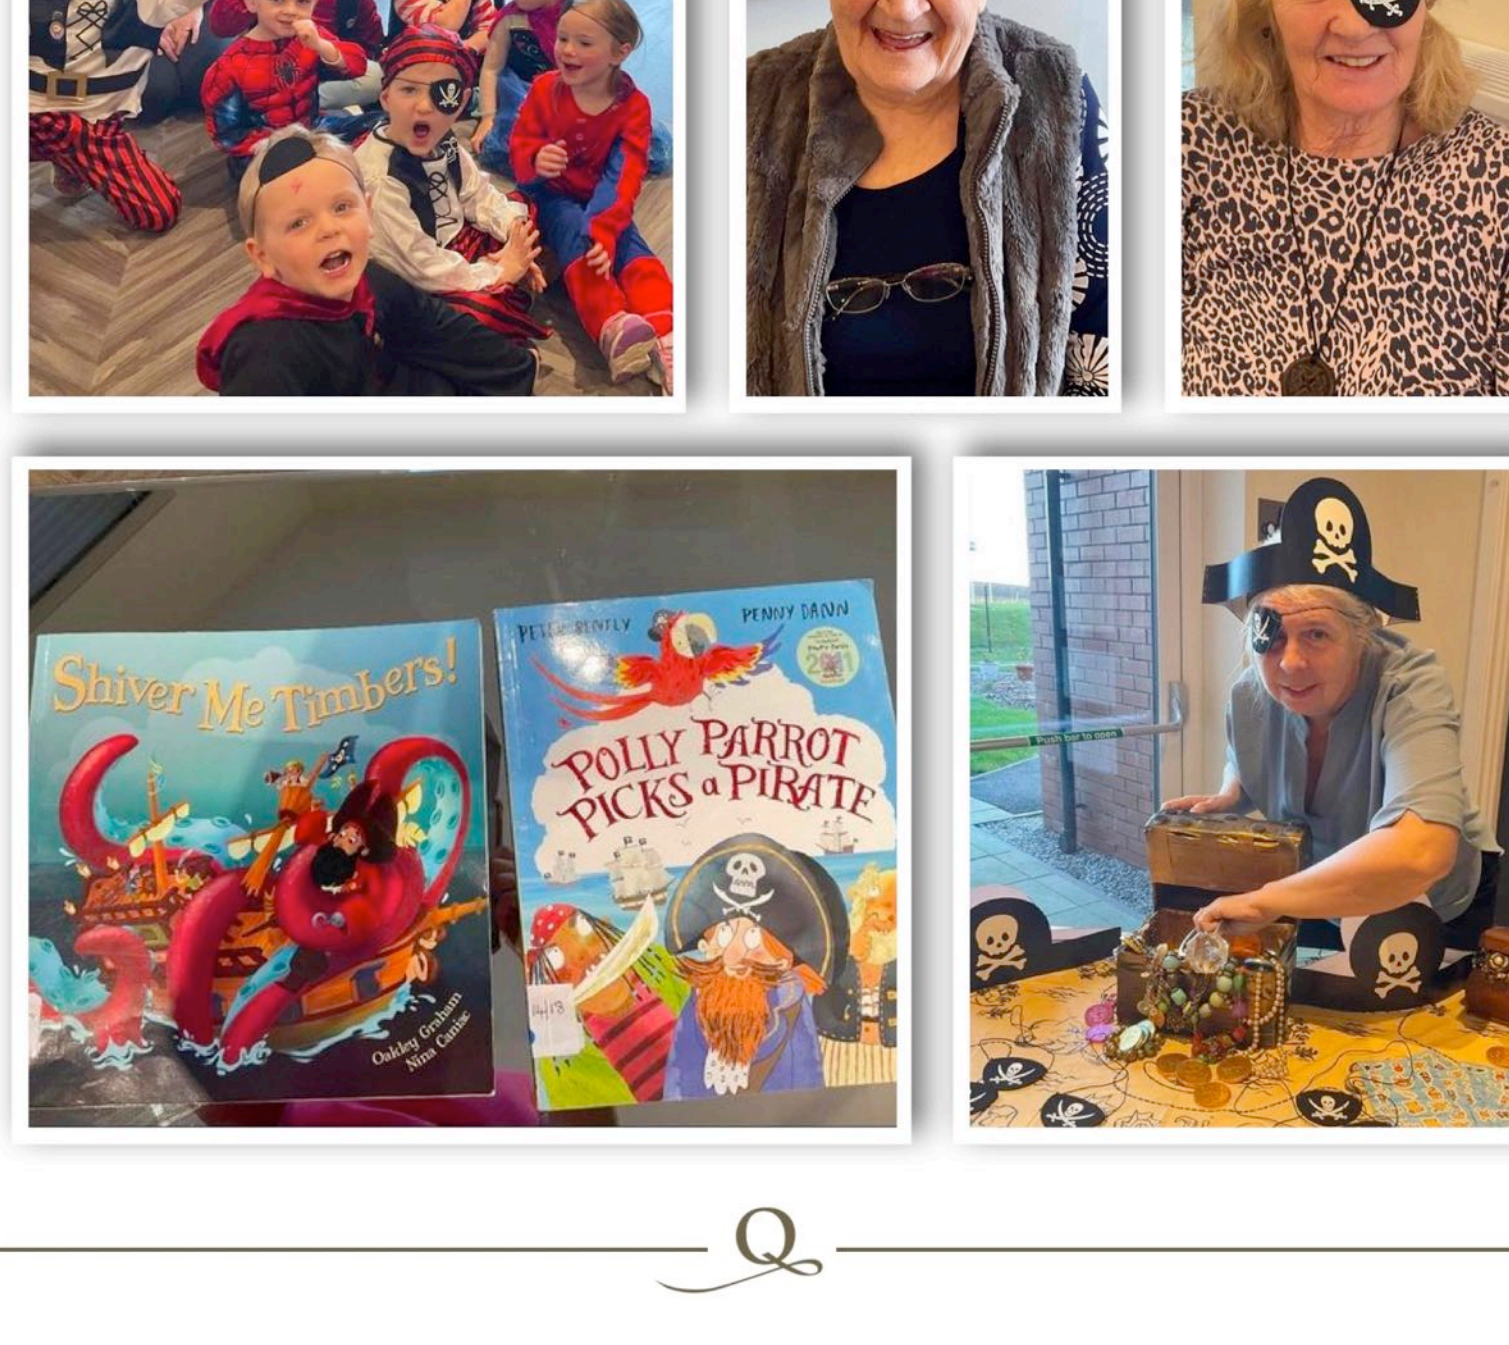

## Marina View Nursery Visit

## Intergenerational

We welcomed the children from Marina View Nursery to celebrate World Book Day together. As you can see from the photos, we had a roaring time! It's a pleasure when the children visit, they visit very regularly, but this was special as they were all dressed up for a pirates adventure and story time with Lorena and Clea. Angela helped too creating a pirate themed story, mentioning our home town Troon.

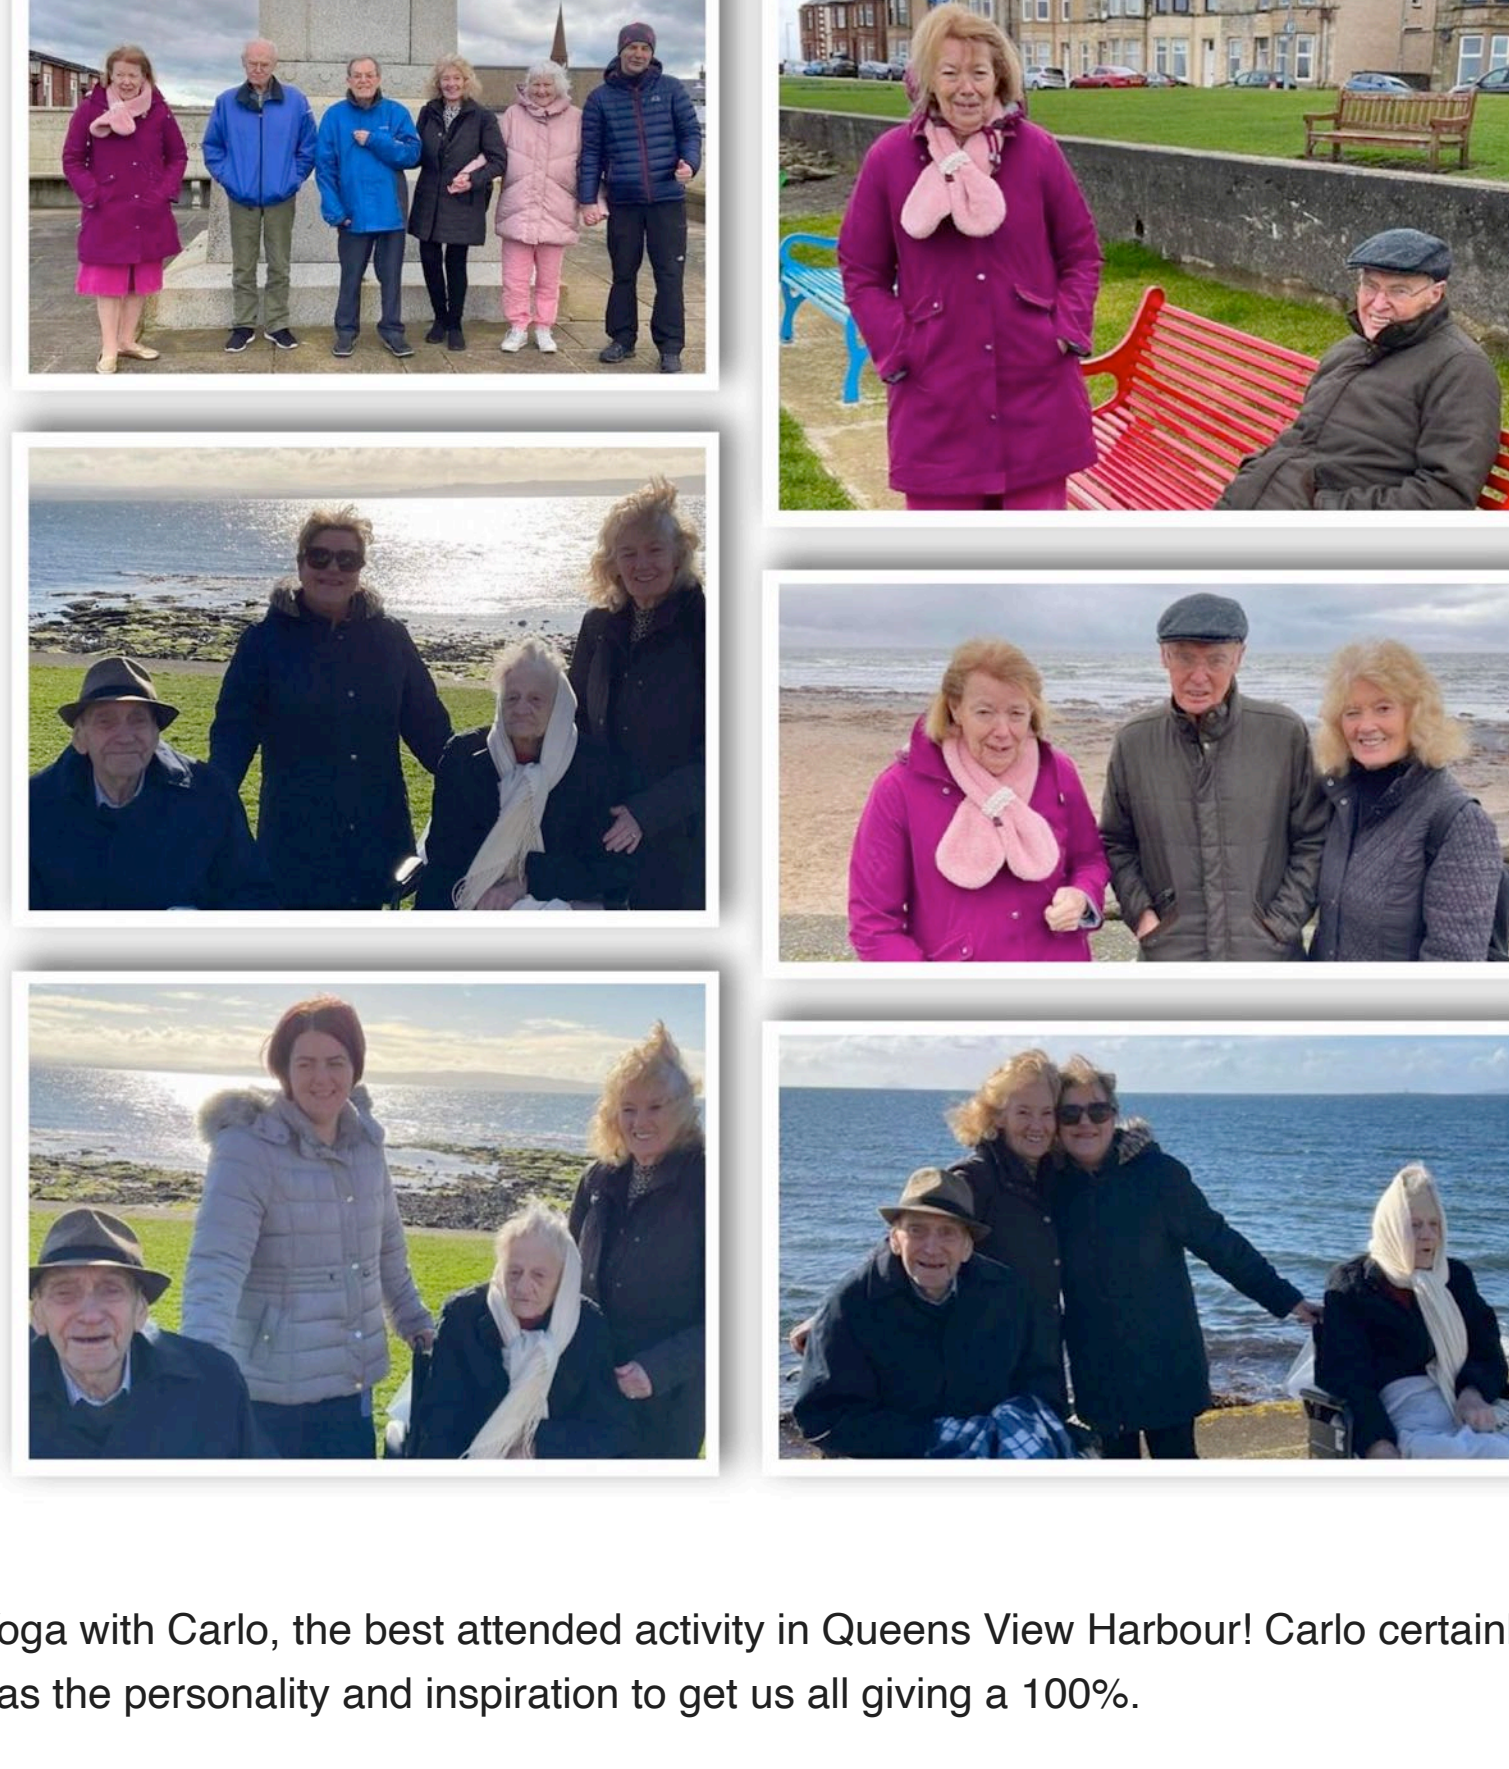

## Fresh Air & Exercise

## Staying Active

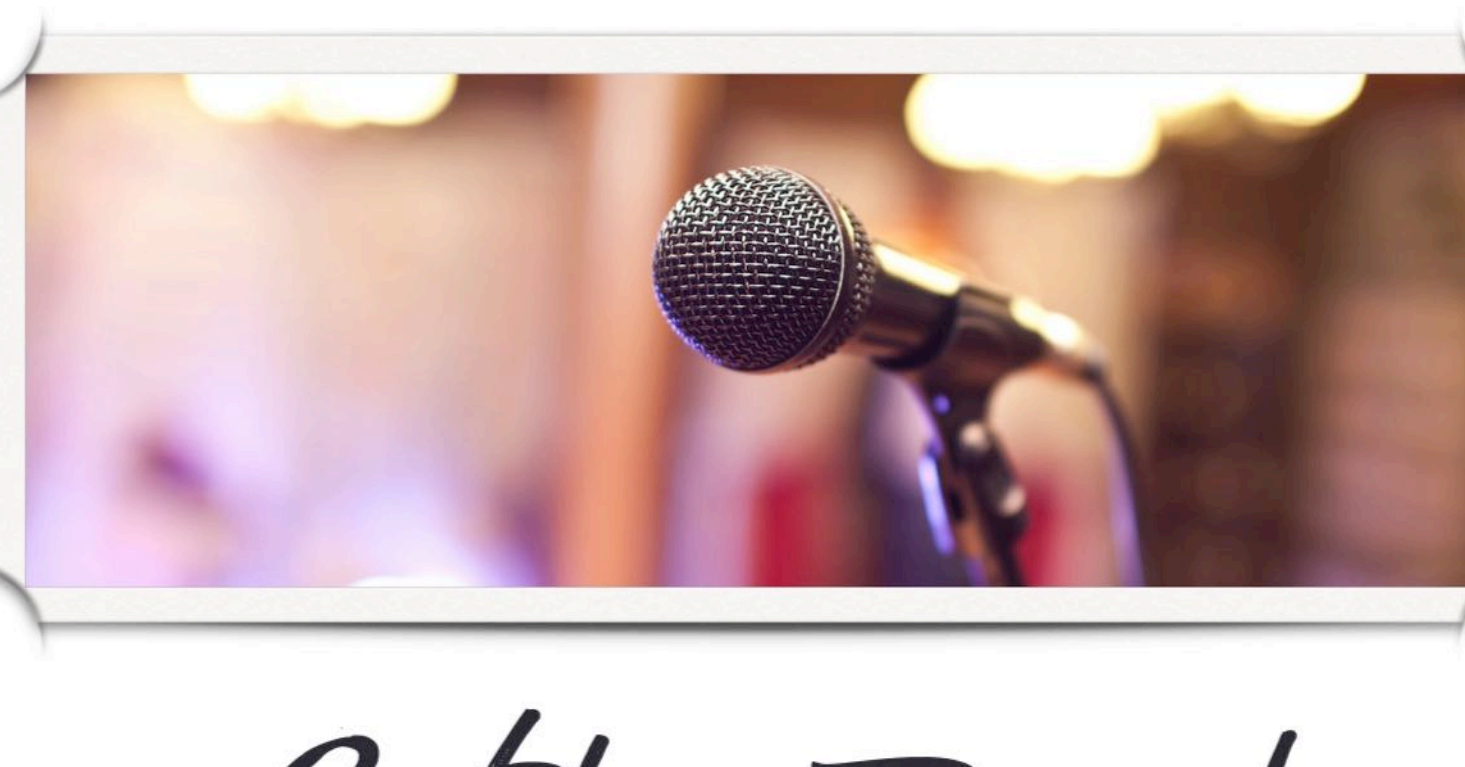

The sunshine certainly makes us smile and hopeful for lighter nights and brighter days. It was a good day to get out and about in Troon as it was not too cold and a little wind to blow the cobwebs away...

Yoga with Carlo, the best attended activity in Queens View Harbour! Carlo certainly has the personality and inspiration to get us all giving a 100%.

## Musical Entertainment

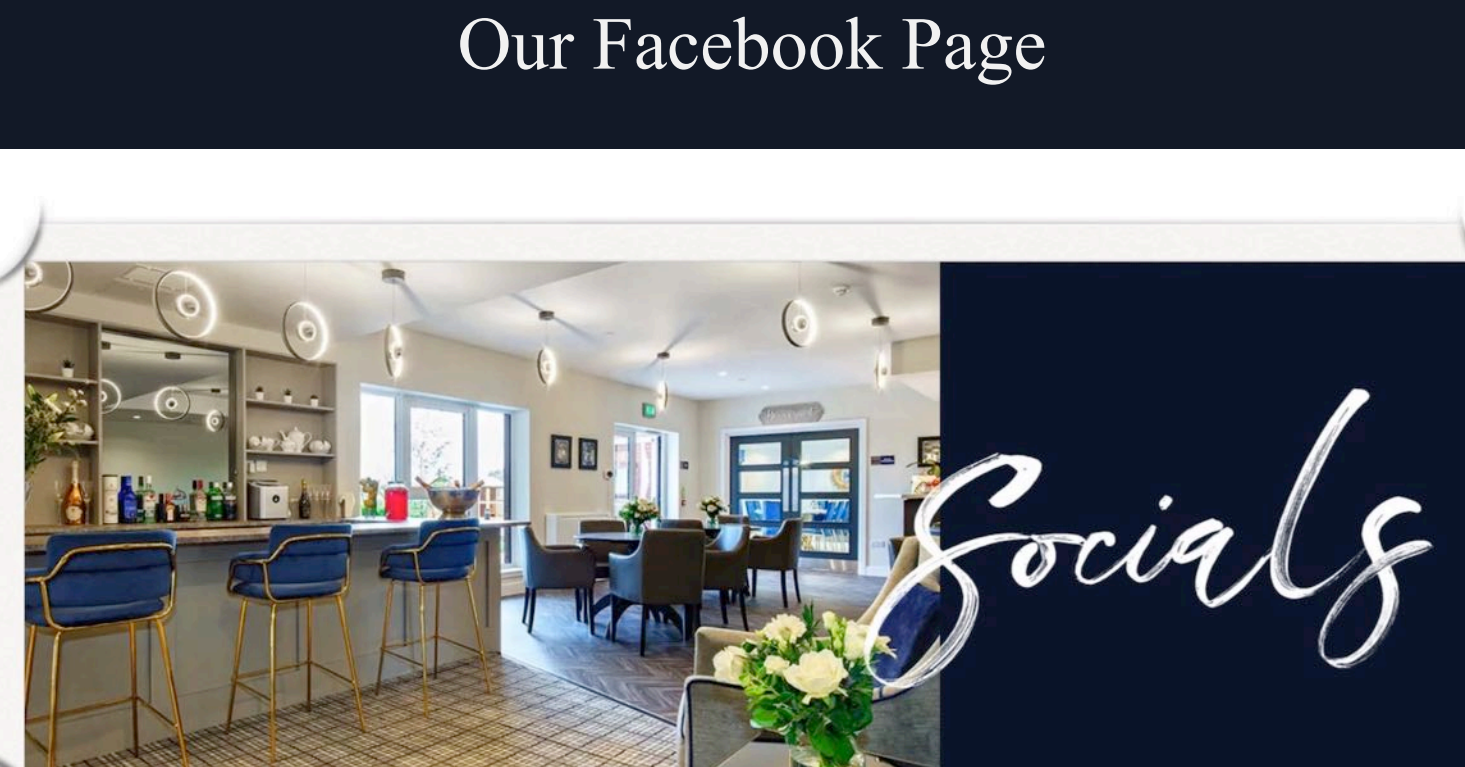

## Catchy Tunes!

Archie, you're certainly good at entertaining us here at Queens View Harbour! A big thanks from everyone for a great afternoon of live music and dancing. It's great to see such a team effort and a packed dance floor.
