## Out & About

## Change of Scenery

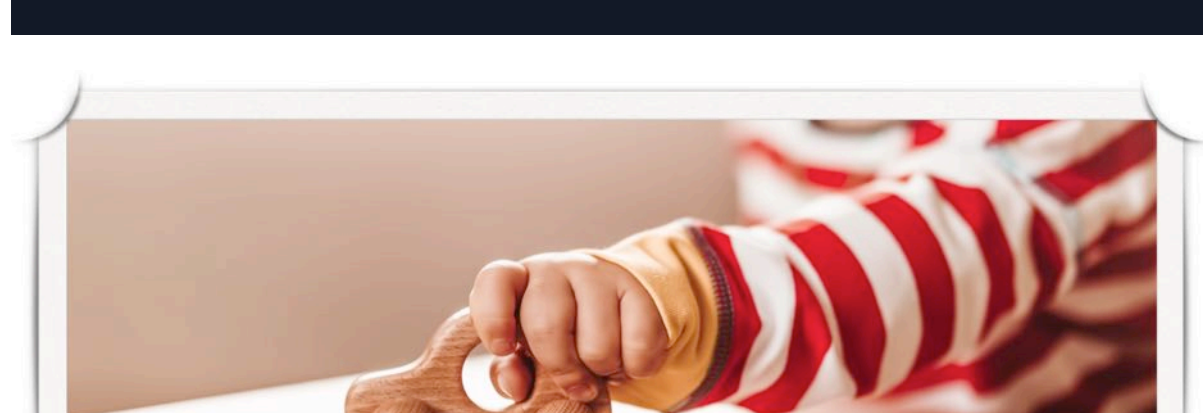

We had a delightful time visiting the Scottish Maritime Museum and Puffer Cafe in Irvine. The weather was lovely and we enjoyed a fantastic lunch. We also heard some exciting news that the Puffer may be starting up soon, offering some wonderful local cruises.

Our Gentleman's Lunch at Scott's of Troon was a great success. Amazing views, good humour and gorgeous food... What more could you want!

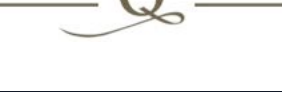

## Nursery Visit

## Intergenerational

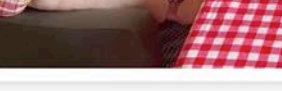

We had a lovely time with the Nursery children as Lorena read a story and we handmade interactive characters. There wasn't a dry eye in the lounge, so much fun was had by all.

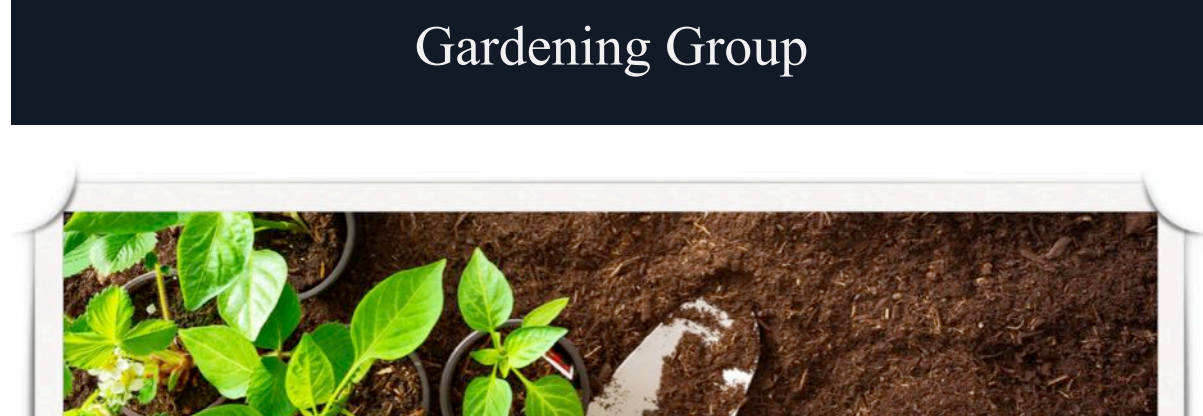

## Homemade Pizza

## Delicious!

You don't need to order takeaway pizza at Queens View Harbour! Instead, we prepare beautiful homemade pizzas while enjoying great conversation and, of course, a glass of wine. Simply delicious!

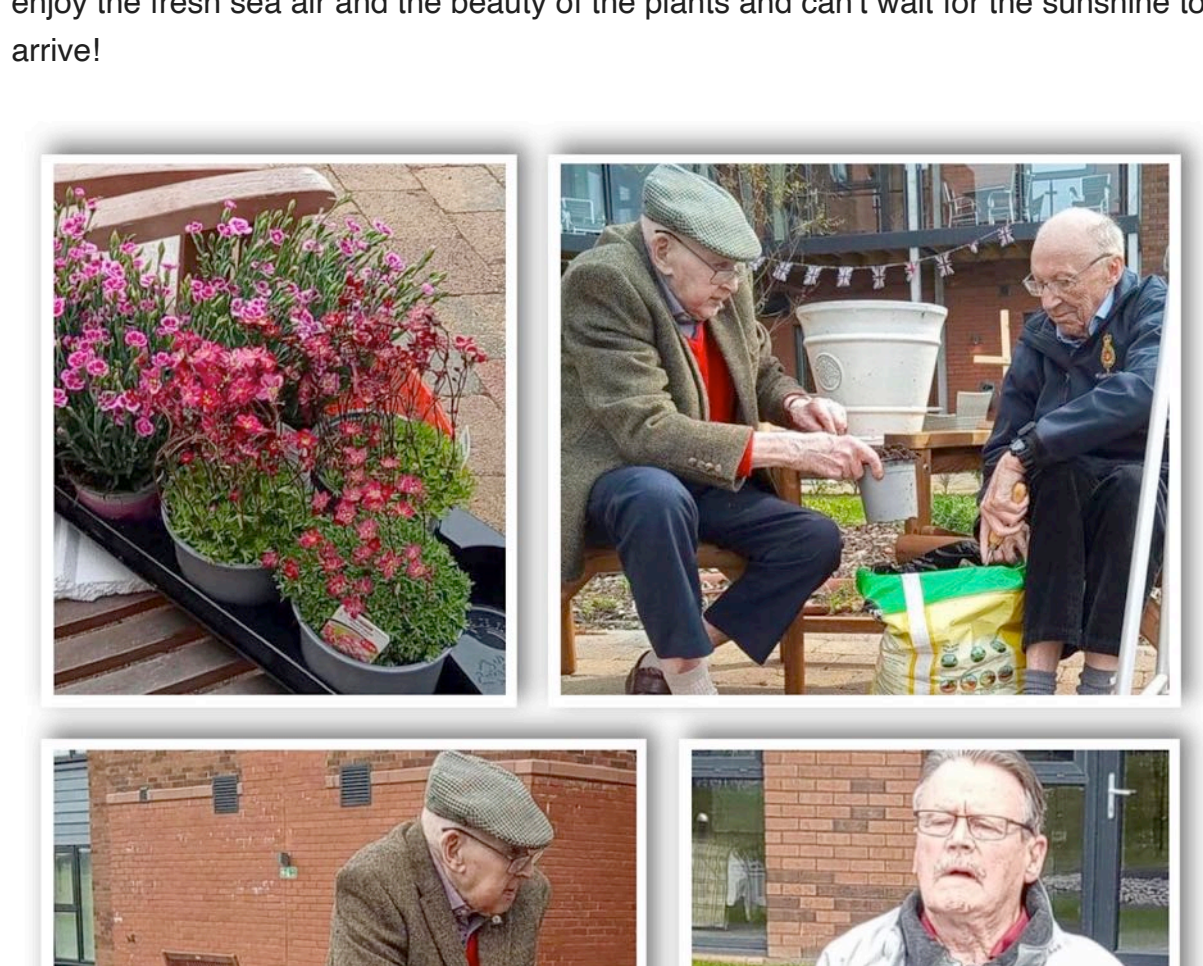

## Gardening Group

## Green Fingers!

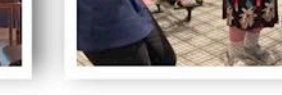

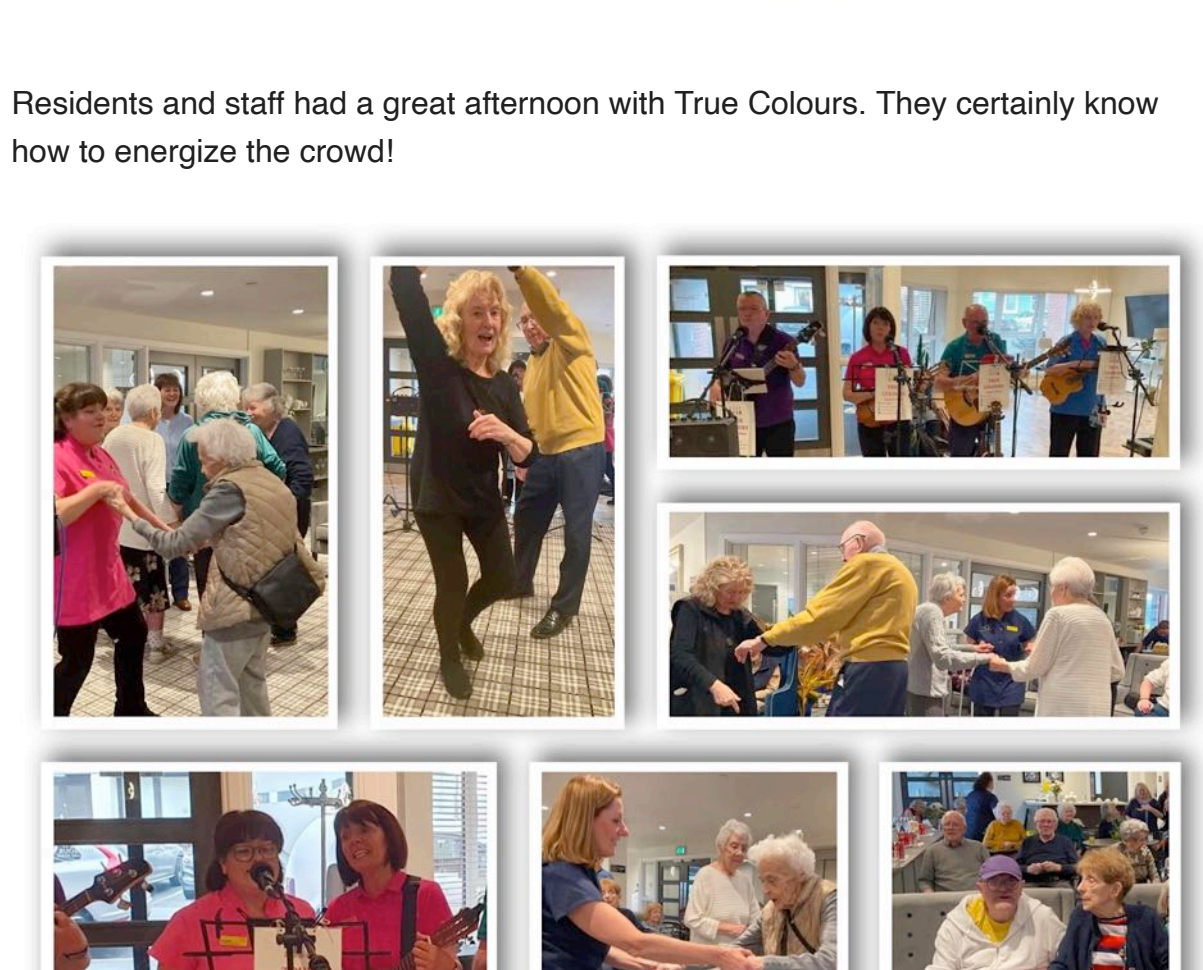

Our Gardening Group is getting ready for summer by preparing our garden. We enjoy the fresh sea air and the beauty of the plants and can't wait for the sunshine to arrive!

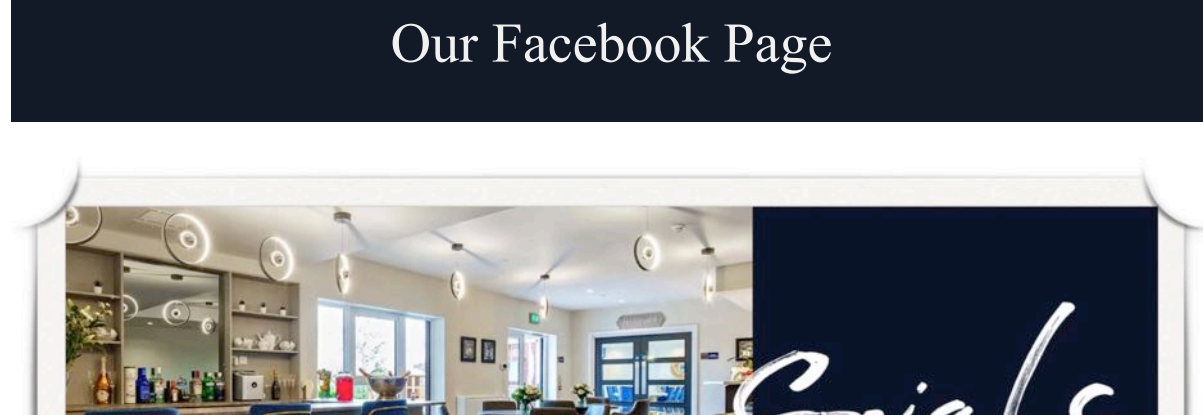

## True Colours

## Singing & Dancing

Residents and staff had a great afternoon with True Colours. They certainly know how to energise the crowd!
